MEDIA UPDATE RE BROOKHILL VILLAGE

Griffin Brothers Companies and Quore Real Estate Advisors, are pleased to announce, productive and ongoing conversations with the City of Charlotte, and Mecklenburg County, for a possible Char-Meck joint investment and partnership; that will allow the residents and community stakeholders, to remain in the historic community, in improved product until 2049.

Included in this joint effort and ongoing conversations, is the potential addition of The Harvest Center of Charlotte, as a strategic partner, and the relocation of their dynamic campus from the airport to Brookhill Village.

We continue to work through numerous redevelopment prototypes, and vet interested concepts and businesses. As plans progress, we look forward to first informing our residents of confirmed plans, followed by media updates.

We look forward to our continued community partnership, and continued dialog with our media partners.

Looking Forward,
